

## Region 8 ESC Learning Connection Training

Seven Region 8 ESC staff members, who have received training by the IDOE, are available to provide this training to its member schools at no cost.

### **Topics to be covered:**

- Getting to know the resources found on the Learning Connection
- Getting registered on the Learning Connection
- Updating a profile
- Finding contacts
- Joining communities
- Reports housed on the Learning Connection
- Using the Learning Connection Library
- Appropriate use of the Learning Connection

**Training Options:** Region 8 ESC will work with schools to determine the best training options for them to meet their needs. These options include the following:

### *On-Site Trainings:*

- One-on-One with individual teachers and/or administrators
- Small group during collaboration time, such as grade level or content area
- Whole group, such as a building-level staff during a professional development day
- Other— school corporations can request their own options based on their needs

### *Off-site Trainings at Region 8:*

- School corporations can send their staff to Region 8 for the training
