2011 - 2012 Executive Director's Goals

To monitor the fiscal health of Region 8 ESC and be mindful of that impact on the membership

1. Continue to look for new revenue sources
2. Evaluate and monitor the operation of Region 8 ESC and make necessary recommendations or changes that impact our members the least

To constantly monitor and motivate Program Development, Technology and Cooperative Purchasing departments of the Region 8 ESC.

1. Conduct periodic meeting with departments to discuss current issues that are pending
2. Constantly review where we are and where we want to be
3. Keep individuals focused on our mission

To provide a direction for the Service Center that reflects the interests and needs of the membership.

1. Survey membership to determine if their needs are being addressed
2. Openly solicit direction from the membership of their needs
3. Continue to look for ways to develop positive relationships with members

To prepare a Transition Plan following my retirement June 30, 2012 for Region 8 ESC

To prepare an agreement between Region 8 ESC and NIESC on roles and responsibilities of the Region 8 ESC Program Director/Executive Director and the Executive Director of NIESC

To prepare a three (3) year maintenance plan for the Region 8 ESC facility

To establish a policy for movement of funds to the General and Capital Expenditures Funds from the various revenue generating funds currently in existence and anticipated in the future

What do you want to tell us we did not ask
Administrators
Limited resources often do not allow us to participate in pd
Thank you for sending out this survey
Appreciate responsiveness of Region 8
Interest in sub calling service
Look for more opportunities to engage HS teachers

What do you want to tell us we did not ask
Teachers
Support staff are never included in pd
Would like to know about training that is nearby my school
We get a small taste; we never have much follow through
Need to know how to receive my pgp's
Limited workshops relevant to my needs
UBD workshop
Make it easier to find certificated after attending workshops
Technology/media meetings held again
More ideas for hands-on math instruction
Ned pd for art/PE/music
How to help a school that is out of control
