

# Google Level 1-2

## Certified Educator Workshop

March 27, 2018 OR June 8, 2018

9:00-3:30pm

*This workshop is for educators who have SOME experience with Google tools. (If you have never collaborated on a document or put together a Google Slides presentation, this is not for you.) It will help to guide you through the process of becoming a Certified Level 1 and/or Level 2 Google Educator and BEYOND! Using a compilation of resources, Amber will help take you from zero to Google Certified! This workshop is put together to do three things:*

- 1. Build your confidence in using Google for EDU tools*
- 2. Answer questions regarding how to use these tools with students and fellow educators*
- 3. Give you time to explore and begin your Certified Google Educator journey*

**\$150/member \$250/non-member**

**Register 2 weeks prior for Early Bird Price Below**

**\$125/member \$225/non-member**

**Lunch and 6 PGP's Included in Registration Fee**

**[www.r8esc.k12.in.us](http://www.r8esc.k12.in.us) or [Click HERE to Register](#)**

Take your Google skills to the next level. All school personnel are welcomed!

### About Our Presenter

Amber Harper has been a public school teacher for over 10 years. Her teaching experience lies in the primary classroom, grades K-3. She became a Google Certified Educator, Trainer, and Innovator in 2016 and is excited to share her knowledge with other teachers. She is passionate about making technology more comfortable for her fellow educators, therefore, making it a more relevant tool to use with students to transform teaching and learning.
