

Digitarium School User Agreement

Region 8 is pleased to offer the use of our Digitariums free of charge to our member school districts. This modern resource is a tremendous tool to support learning in our schools. However, because the total cost of the equipment is well over \$37,000, we are asking that each school please review the agreement below and sign this document before receiving the Digitarium. Completed documents can be emailed to Misty Gehres at mgehres@r8esc.k12.in.us or faxed to her attention at 260-423-0031. They can also be mailed to Region 8 ESC, Attn: Misty Gehres, 1027 W. Rudisill Blvd. Box 17, Fort Wayne, IN 46807.

1. I acknowledge that after receiving the Digitarium, if any problems or defects with the device are discovered, I will contact Region 8 as soon as possible.
2. I acknowledge that our school is responsible for the Digitarium once it is delivered until it is picked up. Any damage to the Digitarium while under our possession may result in being responsible financially for repairs.
3. I will make every effort to return the Digitarium in equal or better condition than which it was received.
4. In order to help Region 8 pursue more Digitariums in the future, I will utilize social media and local resources to promote the STAR Financial Bank Digitarium and share with Region 8 data related to the number of students/users who were able to experience the device.
